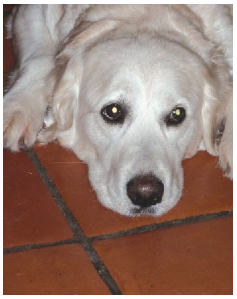
FUNDRAISER FOR LUCY



Lucy (originally called Laika) is a beautiful eight year old Golden Retriever who has come into the care of IRR.
She desperately needs a hip operation to get her out of the pain that she has probably been in for at least a year. We are determined that she shall not follow in the sad footsteps of her namesake - Laika, the very tragic, first dog in space.
To help her we need to raise at least £3000 for her operation and aftercare.
So any amount of money raised, however small, will make all the difference.
A big thank you for taking part in this Fundraising Event on her behalf.

Irish Retriever Rescue UK is a non-profit making voluntary organisation committed to safeguarding the futures of abused, abandoned, neglected or simply unwanted Golden Retrievers in Ireland.
Every year in Ireland, between 24,000 and 30,000 healthy dogs are destroyed; this is 10 times the number destroyed in the whole of the UK!
Our aim is simple: to ensure that no Golden Retriever ever becomes part of this frightening and heartbreaking statistic.
